

Isle of Erin Presents

Saturday, August 16th at 6:00 pm  
Illinois Central College Performing Arts Center

## Introduction

Erin Rockhold, TCRG, is the owner/instructor of Isle of Erin Irish Dance Studio. She is an Illinois Certified Teacher and a TCRG Certified Irish Dance Teacher (a masters degree in Irish Dance). Isle of Erin opened in 2009 and now along with Irish, Erin teaches Ballet, Tap, Swing, and even voice lessons. Her dancers do many performances throughout the year locally, nationally, and even internationally. They have danced at weddings, birthdays, Civic Center functions, live onstage with REND Collective, at the Virginia Theater, and at the Gleneagle in Killarney, Ireland.

Guest singers and musicians tonight range wildly in age and are all in various levels of their music journey! We are proud to have them!

## Special Thanks

Special thanks to our personal donors: Grant Gibson, Lisa Motter, The Wilkins Family, and Lara (Aaron) Johnson for sponsoring dancers and helping with the costume budget. We couldn't have done it without you! Thank you to the parents for trusting me with your children, and thank you to the adult dancers, no matter your age or ability level, for trusting my crazy process and rolling with the extreme amount of sparkles that fly around the studio. Thank you to my best friends Leslie and Angie for helping with sewing questions and reassuring me. Lastly, thank you so much to my wonderful husband Matthew. He is my sanity, my rock, and my island. Thanks for always highlighting the humor in any situation. I love you babe!
